This is exactly the type of office space our city needs ' it's close to transit, it's well designed and it will be highly sought after by local business groups if it's approved. Happy to see this coming forward to Council and urging you to give this one the green light of approval. Thanks.	Dan Jordan		s. 22 (1) Personal and Confidential	Dunbar-Southlands	No web attachments.
12/07/2021	08:52	PH1 - 4. CD-1 Rezoning: 750 Southwest Marine Drive	Support	Greetings honourable Mayor and Council, I would like to share my sentiments regarding the new stratified office building proposed for 750 Southwest Marine Drive in Vancouver. I've reviewed the Shape Your City website and the plans for this project, and I'm really pleased to see it coming forward for approval. Projects like this are not as common in our city as they should be, and I feel it would be a huge opportunity for entrepreneurs looking to expand their businesses and to own their individual spaces. This project is located in a transit-accessible location, it will support new retail opportunities, improve the public realm, and encourage economic recovery through job creation. I expect many small business owners would agree with these sentiments, and I hope the project is broadly supported through the public process. All the best, Matt	Matt Carlson		s. 22 (1) Personal and Confidential	I do not live in Vancouver	No web attachments.
