01/24/2022	20:44	PH2 - 1. CD-1 Rezoning: 622-688 Southwest Marine Drive	Other	<p>I am living at an apartment at Cambie and Marine Drive, and I am concerned that the infrastructure in the area does not support more high-rises to be built around Cambie and Marine Drive. First, when I used to take sky train to downtown during rush hours before Covid, there were often times that the sky trains were full and I had to wait a few sky trains before I could catch one. If more buildings are built and more people move into this area without the corresponding increase in sky train capacity, I am afraid that it will be harder and harder to take sky train during rush hours. In addition, I noticed that it has been increasingly difficult for visitors to find parking around the area. There are very limited visitor parking in the apartment building, and street parking for visitors has been reduced in the past few years as more street parking requires permit. The situation is so bad that this has become a main reason why other family members prefer not to come to my home for gathering. As I see notice after notice of public hearing in my mailbox notifying me of new apartments to be built in the area, I finally decide to write to the city council to express my concern. What is the city doing about these issues' Thank you for your time and your response is appreciated.</p>	Eva Shen		<p>s.22(1) Personal and Confidential s.22(1) Personal</p>	Marpole	No web attachments.
