01/25/2022	14:39	PH2 - 3. CD-1 Rezoning: 7929-7949 Cambie Street	Support	I would like to speak in support of the rezoning. Any plan to replace single family residential zoning with higher density combined commercial and residential zoning will be beneficial to solving high housing prices in Vancouver. Cambie in particular is an important arterial route to downtown, so additional units along the corridor will provide additional value.
