04/12/2022	10:29	PH1 - 2. CD-1 Rezoning: 6409-6461 Cambie Street and 505 West 49th Avenue	Support	I support the proposal at 49th and Cambie Street. It is close to the SkyTrain Station, it brings new life into our community and makes it easy for me to walk to run my daily errands like getting groceries and shop at different stores. My grandkids visit me frequently and it would be nice if they could move and find somewhere to live nearby. This building and others like it would allow that to happen. I would then be able to see them more frequently and get the help and support I need from family. I know I'm not the only one who lives in this neighbourhood who would like their family to be able to live nearby but cannot find any homes to live in. Please, let's see some positive changes here!
