05/24/2022		PH3 - 1. CD-1 Rezoning: 4949- 5255 Heather Street and 657- 707 West 37th Avenue (Heather Lands)		I fully support this rezoning application that will provide extensive desperately needed rental and affordable housing. The neighbourhood surrounding the heather Lands is lacking in density and this proposed rezoning will greatly improve the amenities, housing and community serving spaces of the area. 05/24/2022		PH3 - 1. CD-1 Rezoning: 4949- 5255 Heather Street and 657- 707 West 37th Avenue (Heather Lands)	Support	I gladly support the empowerment of the MST Nations to reclaim, redeem and repurpose the Heatherlands site, including the removal of the Fairmont building. On behalf of my congregation of Oakridge Adventist Church located at Baillie St and 37th Ave, we look forward to welcoming new neighbours and being of service to our growing community.
