06/11/2022	19:06	PH1 - 4. CD-1 Rezoning: 1406-1410 East King Edward Avenue	Oppose	I oppose the application by BC Housing for low barrier housing, run by a non profit operator located at 1406-1410 East King Edward Ave. The density, and height of the building are both significantly higher than what is outlined in the community plan for the area as acceptable. The site has close proximity to Kingcrest Park, the playground, and Selkirk Annex elementary school. As a parent of a young child, I feel that this development poses a threat to safety of children in the area and far exceeds an advisable density. 06/13/2022	08:53	PH1 - 4. CD-1 Rezoning: 1406-1410 East King Edward Avenue	Oppose	This is a family oriented neiboughood, especially kensinton park is just right next. It's a bad idea to have this development coming up in the community. I strongly oppose!	carolyn lok			Kensington-Cedar Cottage	No web attachments.
