CD-1 Rezoning: 495 West 41st Avenue	Support	I am in full support of this application, which will see the development of some 110 secured rental homes at the corner of Cambie and 41st. Projects like this one will help deliver more housing choices for people who rent ' which is the majority in Vancouver. I am happy to see that this proposal ' and other rental projects ' are coming before Council for decision in the next couple of weeks. I commend planning for encouraging and incentivizing rental housing, and I hope to see this trend continue. Considering the site's location in the evolving Cambie Corridor, I feel that this 14-storey building is rather modest in scale. Thank You - A A. CD-1 Rezoning: 495 West 41st Avenue	Support	Dear Mayor + Council, As a renter, I'm supportive of the rental proposal at 495 W 41st Ave. This site is close to Langara College, the Skytrain, and lots of shops and services in the area. I could envision myself or any of my renter friends living here. Please register my support for this project, it truly is a no brainer.
