## **SECTION 3 DEVELOPMENT COST LEVIES**

### **Imposition of levies**

3.1 Subject to this By-law, Council imposes, on every person entitled to delivery of a building permit authorizing development in the general area, the levies set out in Schedule C.

3.2 DELETED

### **General levy**

3.3 Schedule C sets out the levies imposed under this By-law, and is based on floor area.

### **Application of levy to less than four dwelling units**

3.4 A levy is payable where a building permit authorizes the construction, alteration, or extension of a building that, after the construction, alteration, or extension, will:

- (a) contain less than four self-contained dwelling units;
- (b) be put to no other use other than residential use in those dwelling units; and
- (c) in the case of an alteration or extension, except for the alteration or extension of a garage into a laneway house, include an addition of 46.5 m<sup>2</sup> or more of floor area.

### **Alteration or extension of existing building or structure**

3.5 If a development consists only of the alteration or extension of an existing building or structure to increase its floor area, except for the alteration or extension of a garage into a laneway house, the levy applies only to the additional floor area.

### **Staged development**

3.6 If a development takes place in stages authorized by separate building permits, a levy is payable, under section 3.3 with respect to each such building permit.

### **Staged building permit**

“3.7 If a building permit is issued in stages, a levy is payable prior to issuance of the first building permit.

### **Aggregate levy**

~~3.7~~ 3.8 If a development includes uses, or buildings or structures, to which different levies apply, the levy for the development is to be the aggregate of them.

### **Micro dwellings**

3.9 No levy is payable for micro dwelling units that measure no more than 29.7 m<sup>2</sup>, and are built in accordance with a building permit.

### **Payment of levy by installments**

~~3.8~~ — Rather than paying a levy upon issuance of a building permit, the person responsible for payment of the levy, at the time and as a condition of issuance of the building permit, may:

- ~~(a)~~ — pay \$100.00 to the city; and
- ~~(b)~~ — post with the city an irrevocable and unconditional letter of credit for the balance of the amount of the levy, together with an amount equal to one year's interest thereon at a rate that is two percent above the prime rate on the day of application for the building permit, for a term of not less than 12 months.

### **Realization on security**

~~3.9~~ — The city may realize on the letter of credit referred to in section 3.8, or on any renewal of it:

- ~~(a)~~ — within 30 days before the date of its expiry unless, before the date 11 months following the date of its issuance, the person who posted the letter of credit or its renewal posts with the city a renewal or further renewal of the letter of credit on the same terms and conditions as the original letter of credit except that fixing of the prime rate is to occur on the day of renewal or further renewal of the letter of credit; or
- ~~(b)~~ — if the levy that it secures remains unpaid on the date of issuance of the occupancy permit permitting occupancy of the development in respect of which the levy is payable.

### **Default in payment of levy installments**

~~3.10~~ — If a levy payable by installments under section 3.8 of this By-law or any portion of it remains unpaid after its due date, Council authorizes the Collector of Taxes to insert the amount of the levy, or unpaid portion, in the real property tax roll as a charge imposed with respect to the parcel or parcels in relation to which the city issued the building permit.

### **Change in use of excluded floor area**

~~3.11~~ **3.10** If the conversion of space that is not floor area to a use that makes it floor area occurs Council deems such space to be floor area as at the date of issuance of the building permit authorizing its development.

### **Change in use of excluded land or development**

~~3.12~~ **3.11** If the development or change of use of land or a building or structure, that is exempt from a levy, makes it subject to a levy, such levy is due and payable at the time of such development, alteration, or change of use.

### **Rate for LOCH increases**

~~3.13~~ 3.12 If the permitted maximum floor space ratio for Low Operational Cost Housing has been increased under section 10.16 of the Zoning and Development By-law, and the resulting increase in floor space ratio would increase the rate charged under this By-law, the rate that would have applied prior to the density increase under section 10.16 shall be the rate charged.
