06/20/2022	15:01	PH3 - 3. CD-1 Rezoning: 524- 526 Granville Street	Support	I fully support this proposal to bring new office space into downtown. My office is close to 526 Granville Street and I have been working downtown throughout much of the COVID pandemic. I've seen a lot of stores closing down in the area and believe that more office space for more people in the area can only be a positive thing for the local business community. I also like the design of the building and think it will be a great addition to the skyline.	McGregor Wark	McGregor Wark	s.22(1) Personal and Confidential	Unknown	No web attachments.
