Rezoning: 156-180 West 2nd Avenue	Oppose	It's good to upgrade and beautify the light industrial area south of 2nd Ave. But is it necessary to change the zoning from I-1 to I-1C since the whole area is going to either rebuild or remodel to I-1' Why is Zone I-1 not good enough for the whole south-of-Second area, keeping things more uniform' There are many new buildings all through this light industrial area, topping out at 6 or 7 floors. Why does 2nd Ave have to breach this zoning'	Sabina Steinman	s22(1) Personal and Confidential	Mount Pleasant	No web attachments.
06/13/2022	14:22	PH4 - 1. Rezoning: 156-180 West 2nd Avenue	Oppose	Kitsilano is a family neighborhood, there is a crisis here of young, good mannered, working people who are unable to find homes/apartments' even the rental market here is extremely competitive. The last thing we need is free housing for the homeless and addicted, we need housing for young people who can pay their fair share. I whole heartedly oppose this motion. Rezoning: 156-180 West 2nd Avenue	Oppose	I strongly oppose this application - this land should be used for the intended purpose as well as add a residential component - you have used land so poorly in the past - and have created a housing shortage due to short sighted planning - or lack of planning - become a little creative - build places for the people to live along side light industrial - this is some of the most desirable land on the planet and you don't allow people to live there' What is wrong with you people'	Jerome Deis		Arbutus-Ridge	No web attachments.
