07/13/2022	14:05	PH4 - 3. CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue	Oppose	100% against. After listedinj F to the first speakers mainly mpa and bc housing they didn't have answers to any of the pertinent questions. No KIDDING the community is in opposition you have provided us with zero safety guarantees and Aero tenant information not any staffing details! Van city council Send bc housing band and tell them Not to announce any new projects until they can present all information to the public. Oppose!	Chance granger			Downtown	No web attachments.
07/13/2022	14:22	PH4 - 3. CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue	Oppose	80 % of respondents to bc housing let's talk housing were against this project' Send bc housing back And get them to give this city a project people Can get behind. Not just moving people from the Larwill supportive housing to kitsilano. How about housing that supports the current population of kits ,5% supportive (same as coast mental Health in Dunbar) and the rest low income housing.	Kelly feeler			Downtown	No web attachments.
07/13/2022	14:26	PH4 - 3. CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue	Oppose	Speaker # 31 hit the nail right on the head. A long time support worker in the dtes said the project was way too big to be managed successfully and there needed to be stringent interviews and background checks on individuals living there due to proximity to a huge amount of young kids. Make those things happen and I will vote in favour	Stewart hallstead			Downtown	No web attachments.
07/13/2022	14:33	PH4 - 3. CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue	Oppose	I decided to listen to the speakers before I made my decision and o have to say I am shocked by the discriminatory behagviour towards the opposed speakers. Jean Swanson's comments have been completely out of line for one and second. The opposed are not allowed to say or talk about any of their personal experiments living by supportive housing and cannot use words such as addict, however the head of abundant housing was able to read a third party's story where she used the word 'drunk' etc and there was not one comment from council.why' I am opposed after listening clearly and carefully to the callers	Amanda bedioun			Downtown	No web attachments.
07/13/2022	14:42	PH4 - 3. CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue	Oppose	Please reject this proposal. I am a recovering addict who lives across from the site with my five year old child who plays in the adjacent playground nearly every day and attends daycare on the next block. I serve on the board of our community garden that is one block away. The garden is a magical place in the city that is a safe place to enjoy and learn. The garden is also a city park. It is incomprehensible that anyone would consider this application an appropriate development for the proposed location . The City of Vancouver is responsible for both the housing crisis and the addiction crisis. If fixes such as the proposed development would help these matters, it would be welcome, but they don't. As a recovering addict clean and sober for 10 continuous years, I am familiar with what it takes to help desperate people. And I am familiar with what desperate people will do. These people are human beings who did not choose addiction, nor do they deserve it. It is a living hell that only more drugs or alcohol can provide temporary relief. Please consider another solution or housing/ addiction prevention/ treatment model to help those suffering from addiction. A solution that truly helps those who need it. Individuals in the dark depths of addiction are not likely to simply want recovery if provided with a place to live. If approved, this development would force many in the neighbourhood to move from our homes. These are our homes and our community where many of us have built (and rebuilt) our lives. Please consider the root of the problem that the City of Vancouver has created and begin there. It is possible to make the changes that are necessary to create a happier city for everyone. Please, I beg you to reject this application.	Karly Reykjalin			Kitsilano	No web attachments.
07/13/2022	23:14	PH4 - 3. CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th	Oppose	We SUPPORT WOMEN'S Social Housing of ANY KIND including Women and Children in this neighbourhood!! We do NOT SUPPORT men's social housing in this neighbourhood because of the elementary school across the street and the children's park across the street, and/including the vulnerable women's shelter a half block east and the seniors residence a block east. PLEASE REVISE THIS SO THAT THERE ARE NO MEN'S SHELTER HERE!!!!	Debora Nortman			Kitsilano	No web attachments.
