CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue | Other    | I have been told that the supportive housing at these addresses will include a safe injection site. Is that true? Sancta Maria House is quite close to those addresses and is a residential program for marginalized women to stop abusing substances.                                                                                                                       | Susan Walker   | s22(1) Personal and Confidential | Kitsilano     | No web attachments. |

The project is proposed to be steel modular and also passive house. What is the premium in \$/ft that the project and taxpayers will incur as a result of these features. What is the payback period for passive house? The report does not mention anything about costs and why modular has been selected for this project. | Sepehr Abedini |                                  | Kitsilano     | No web attachments. |
