CD-1 Rezoning: 2086-2098 West 7th Avenue, and 2091 West 8th Avenue	Other	There are literally hundreds of low income seniors & people on disability living in dozens of buildings right beside that location, desperate for services. My 90 year old neighbour is trekking out past Burnaby every day on transit to see his wife in a facility there. And Better At Home's waiting list is impossible to get through. In that very spot an out-patient wellness centre & assisted living facility for them to graduate into, with housing even for careworkers, could serve & totally secure this low income community-minded multigenerational neighbourhood. What a model that could be!	Janet Miller	s. 22(1) Personal and Confidential	Kitsilano	No web attachments.
