07/04/2022	20:50	PH1 - 4. CD-1 Rezoning: 3970-3998 Main Street	Support	I support strongly all new housing for vancouver in particular much needed rental housing for hard working families that live and work in vancouver. It is a very complex and risky process to build rental housing in private industry and the city needs to recognize that risk taking with reasonable return on that enormous risk. Thank you	Chris Newton		I do not live in Vancouver	No web attachments.
07/05/2022	10:54	PH1 - 4. CD-1 Rezoning: 3970-3998 Main Street	Support	We need to create more housing along Main and Fraser Streets. This is a great development from a local company that supports the local community with donations to schools and honest engagement with the community.	Kemp Edmonds		Riley Park	No web attachments.
07/05/2022	13:27	PH1 - 4. CD-1 Rezoning: 3970-3998 Main Street	Support	I support this proposal. t brings the much-needed rental housing and commercial units at street level. The design is streamlined and functional, and I like that most units have balconies.	Alissa Reed		Kensington-Cedar Cottage	No web attachments.
