I would love to see a grass dog park or gym/community centre. Currently the George Wainborn park is being used as an unofficial dog park but I'd love to see a fenced and safe green dog park nearby; Emery Barnes tends to be dusty and dirty and I've encountered needles in the park so it doesn't serve as a great space for my dogs. Dog ownership has grown significantly since 2020, and I would like for the city to keep up with demand for safe spaces for our dogs Thanks!
