Making half of Beach a bike lane with traffic restricted to westbound, as well as the earlier designation of Hornby between Beach and Pacific as one way north, have created extreme difficulties for us in this complex. One of the very few ways of reaching our driveways from the Granville Bridge is the eastern loop that goes down to Pacific and then allows us to to turn left on Howe down to Beach. Removing that loop is going to make access much harder for us. Please don't.	Geoff Holter	F	Personal and	owntown
