CD-1 Rezoning: 625-777 Pacific Street and 1390 Granville Street (Granville Loops)	Other	<p>Since this is public land, in order to obtain the highest possible value and benefit for the citizens of Vancouver, I urge Mayor and Council, on record at the public hearing, to obtain a comprehensive and comprehensible explanation of exactly what the situation is and what the intended deals are on each of the four subject sites (A, B, C, D), with special attention to those sites that will have market rentals and strata condos. The referral report and related documentation don't seem to provide adequate information for context. The rezoning applicant is CoV's General Manager of Real Estate and Facilities Management, on behalf the City of Vancouver). The property owner is the City of Vancouver, "the registered owner of the lands.' How is this land owned' The sale of this land is being planned after rezoning, have there already been independent, third-party appraisals of value' If discussions are already well advanced for the rental towers and strata towers, what is the current status of agreements or arrangements' Bottom line, this is public land. How will Council ensure that the best value and benefit is obtained for the citizens of Vancouver'</p>	Randy Helten		s. 22(1) Personal and Confiden	Kitsilano	No web attachments.
