2009-2037 Stainsbury Avenue development
- 2. Position:**
Oppose
- 3. Comments:**
I believe this is not a good decision to be made on the part of the council to destroy and get rid of an invaluable contributor and peaceful group of gardening people/ community garden to the Trout Lake neighbourhood with something so positive and necessary as a public garden currently existing in the small space there by the Victoria Diversion/ Stainsbury/ Hull Street area. Please reconsider the decision to development the 2009-2037 Stainsbury Avenue space and leave the neighbourhood garden alone. Please. We need public gardens and green spaces.

Hello Mayor and City Council

It is confusing to hear that the operator needs Market Rental Units to support their operational costs when Patia of BC Housing says that they will fund construction and OPERATIONS.

Is BC Housing in their email below incorrect or is the Operator incorrect in saying they need these market rents to fund operations.

CMHC is providing a grant-not to be paid back- for operations.

Thanks

Grace
