2023-02-14	17:02	PH 1 - 5. CD-1 Rezoning: 2518-2540 Grandview Highway South	Oppose	With so many children in the area going to playgrounds, school, daycare. This is not appropriate site for this.	Mohinder Singh

CD-1 Rezoning: 2518-2540 Grandview Highway South	Oppose	Everyone needs a home and the building concept is one of many that will be required to safely house our most vulnerable members of the community. The neighbourhood in question is not ideal for this building project. There are many young families that reside in this area and is also a site to a future Health Complex for children across BC that need specialized care. This area needs to remain focused on young children and their health care needs. It's been a place for health care for over 90 years.	Parry Darred	Grandview-Woodland	
2023-02-14	17:20	PH 1 - 5. CD-1 Rezoning: 2518-2540 Grandview Highway South	Oppose	I Oppose this rezoning as there was not the proper outreach to the community, specifically the Italian Cultural Centre, where there is a daycare, school, playgrounds, parks, and sports areas. Also, many senior's living facilities are in the area. There are more suitable areas for a land use such as this.	Justin De Genova	Renfrew-Collingwood

CD-1 Rezoning: 2518-2540 Grandview Highway South	Oppose	In addition to my comment, I also hope that Council is not misinformed that the funding commitment will go away should they wish to make changes that included tenanting, unit size, height and density, to this rezoning application, like what happened previously at another PMSHI public hearing in June 2022.
