2023-02-14	16:23	PH 1 - 5. CD-1 Rezoning: 2518-2540 Grandview Highway South	Support	I cannot urge Council enough to support this desperately-needed housing.  There is absolutely no reasonable reason, though, why this type of project should have to go through a very complicated, risky, and expensive rezoning process! Please please please act to make sure that desperately-needed housing like this is able to be built as a right, so that housing dollars aren't wasted on public hearings amid an intense housing crisis, and instead go towards actual needed houses!!
