CD-1 Rezoning: 8029-8225 Oak Street and 1012 West 64th Avenue | Other | My main feedback is that I would love to see retail stores that actually add to the community. I find a lot of new builds in the city with retail store fronts just end up being offices, cannabis stores, physio clinics. Nothing wrong with the type of business itself but there's so many of them around and they don't really bring a lot of life to the neighborhood. I would rather see cafes, restaurants, grocery stores, independent small business retailers go in that would bring the community together. | Cathay Cheng | [REDACTED] | Marpole | |
