Rezoning: 807-847 East 33rd Avenue	Support	Living in this neighbourhood for the last 4 years, it is very apparent there is a huge need for substantially more rental supply in this neighbourhood. It is central and desirable but limited housing options outside of single family homes. I live in a condo in the neighbour which is one of very few and when there is a rental in our building it is snapped up within a day or two. It is perfect location for rental, on bus routes connecting to SkyTrain and UBC plus close to vibrant Fraserhood neighbourhood with shops and restaurants. Therefore I support this rental building.
