Comments:	<p>Please approve the proposal to build new rental housing at Granville + West 45th Ave. My husband and I both grew up on the West Side of Vancouver and are currently renting a townhome in Fairview. Ultimately, we'd like to live in Kerrisdale, close to my husband's family who happen to live near this project. There is so much demand for this kind of housing, so I hope you will proceed with permitting for this application. It's also great to see more secured rental being built-in low-rise form, outside the downtown core. Not everyone wants to live in the hustle and bustle of the city centre. Thanks for considering. - PJM</p>
