Rezoning: 1522 West 45th Avenue and 6137 Granville Street	Support	I used to live off Granville Street near this site, and I think it's a great spot to add additional rental housing. Without making these kinds of changes all over Vancouver, we are going to pushing young people further and further out. We should be encouraging people to remain in Vancouver and frankly, this is a modest ask for a very active street that is walkable and close to restaurants and transportation. Please vote yes for this project and others like it!	EB Evans

Rezoning: 1522 West 45th Avenue and 6137 Granville Street	Support	I saw the rezoning sign on a walk in the neighbourhood and I'm very happy to see projects like this proceed. It is modest in scale at 5 storeys (on a major street like Granville) and it will bring much needed rental housing to our community. While I understand the need to develop high-rises at our transit stations, we also need to be focusing on smaller buildings to bring better choice to the rental market.	D Townsend	Kitsilano

I grew up a few blocks north of this site and it really is a beautiful place to live. I'm sure many who grew up in the area would like to move back but are unable to due to lack of a diversity of housing. We also need more attainable housing here to support the local community (ie. support staff to residents, teachers for the schools, or local retail.) Looks good!	Adrienne Thom

It is a well-designed project that will deliver modern, secured rental supply in a desirable part of the city. I hope council will continue to support rental, which is in urgent demand. Thank you for your consideration.	Andraya A		
2023-03-05	15:20	PH 1 - 3. Rezoning: 1522 West 45th Avenue and 6137 Granville Street	Support	To solve Vancouver's housing shortage we need far more purpose built rental housing buildings such as is being proposed by IntraCorp at Granville & 45th. I heartily support this application, and others like it.	Myron Calof	Kerrisdale

This is a great area for people to rent in, it's located close to transit, near the Canada Line, and very close to shops and restaurants. I think we should use more of Granville Street for this type of development.	Cole T
