TO: Vancouver City Council
FROM: General Manager of Planning, Urban Design and Sustainability
SUBJECT: Approval of Business Improvement Area (BIA) Renewals 2023

RECOMMENDATION

- A. THAT Council approve the application of the Dunbar Village Business Association (DVBA) as described in this report;
- FURTHER THAT Council instruct the Director of Legal Services, in consultation with the Director of Planning, Urban Design and Sustainability, to bring forward by-laws to re-establish the Dunbar Village BIA, to establish a new funding ceiling, and to remit monies for the business promotion scheme.
- B. THAT Council approve the application of the Robson Street Business Association (RSBA) as described in this report;
- FURTHER THAT Council instruct the Director of Legal Services, in consultation with the Director of Planning, Urban Design and Sustainability, to bring forward by-laws to re-establish the Robson Street BIA, to establish a new funding ceiling, and to remit monies for the business promotion scheme.

REPORT SUMMARY

This report provides background information on the overall BIA creation, renewal and expansion process, the procedure for property-owner and business notifications, an analysis of objections received in response to the notifications distributed in December 2022, an overview of possible Council actions, and recommendations based on objections received as of January 28, 2022.

The following two BIAs must be re-designated (renewed) by Council in order to continue:

- Dunbar Village BIA 3-year renewal term
- Robson Street BIA 5-year renewal term

For each of the BIAs, Council must first approve re-designation (renewal) of the business improvement area before it can approve the respective budgets. This report recommends that Council approve the proposed renewals for the terms specified above and instruct staff to prepare by-laws to re-establish each BIA, to establish the respective new funding ceilings, and to remit monies for the business improvement schemes.

COUNCIL AUTHORITY/PREVIOUS DECISIONS

BIA Council Initiatives

Vancouver Charter

Sections 455 through 463 of the *Vancouver Charter* make provision for the creation, renewal, expansion and funding of Business Improvement Areas (BIAs). Vancouver Charter Section 506 (Local Improvements) provides requirements for approval of a BIA Council Initiative. In addition, Council has adopted policy for the approval of a Council Initiative. Further information is provided in Appendix A.

Commencement of Council Initiatives

On November 15, 2022 (*Approval of Council Initiatives – Business Improvement Area (BIA) Renewals 2023*), Council considered renewal applications for the two BIAs referenced in the Recommendations of this Report. Council approved commencement of the Council Initiatives, referred the applications to Court of Revision, and instructed staff to notify affected property owners and businesses prior to a decision on the Initiatives.

CITY MANAGER'S/GENERAL MANAGER'S COMMENTS

The City Manager recommends approval of the foregoing.

REPORT

Background/Context

Before a BIA designation, expansion or renewal application can be approved, the proposal must be considered by Council:

- Prior to considering the BIA application, the Council directs staff to notify all commercial property owners and business tenants in the affected area, providing information on the proposed levy, and details on filing objections;

- After the one-month period for objections, Council is advised of the numbers and commercial assessed value of objections received, and also hears delegations, if any. Per *Vancouver Charter* s. 506(2)(b) if more than one-half of the property owners, representing one-half of the commercial assessed property value **or**, per Council policy, if more than one half of business tenants, counted separately, object, the BIA proposal will be defeated; and
- If approved, Council directs that a by-law be prepared:
 - Establishing or re-establishing (renewing) the BIA or,
 - Establishing an expansion BIA or expanding existing BIA boundaries; and
 - Establishing a funding ceiling.

Appendix B provides an overview of common issues and considerations relevant to the tabulation of objections. Further explanation of the notification and approval process follows.

Process for Notification of Property Owners and Business Tenants

Applicant Outreach to Affected Owners and Businesses

As outlined in the Council report dated November 15, 2022 (*Approval of Business Improvement Area (BIA) Council Initiatives 2023*) BIA sponsors (applicant groups) are required to conduct an extensive outreach process to engage affected commercial property owners and business tenants within the proposed BIA, BIA Expansion, or BIA renewal, area. If, after completion of outreach, the BIA proposal appears to be generally supported, Council may approve commencing a BIA Council Initiative, forward the application to a Court of Revision, and instruct staff to notify the affected owners and tenants prior to Council deciding whether or not to approve the application.

Notifications

BIA applications are a form of Local Improvement. As such, the City is required to mail to the owners of parcels liable to be assessed: (a) notification of the project, (b) the designated area, and (c) the estimated annual rate. Council may approve a BIA if, within one month of the notification, the requisite number of property-owner objections have not been received. While the *Vancouver Charter* does not require notification of tenants, it is City policy to notify business owners of a BIA proposal. Property owners and business tenants in the two areas affected by the BIA proposals have been notified as follows:

- Individually addressed letters (Appendix C) were mailed to all property owners affected by the BIA applications;
- Due to business turnover, and to ensure all affected business owners were notified, unaddressed letters (Appendix D) were hand delivered to all businesses affected by the BIA applications.

Strategic Analysis

Tabulation of Objections - Results

Notification letters sent to affected property owners/ business tenants specified that objections to the BIA application may be submitted in the form of a letter or email to the City Clerk, with the letter being received by 5:00 pm on January 27, 2023.

The following sections provide information specific to the respective BIA Renewal initiatives, including notification data for the applications, and tabulations of objections received as of 5:00 pm, January 27, 2023.

If significant objections or counter-petitions arrive after the submission deadline, a supplementary memo with updated opposition data will be distributed should Council wish to consider late objections or other correspondence such as petitions. Council will also have an opportunity to hear delegations, if any.

DUNBAR VILLAGE BIA RENEWAL APPLICATION: Analysis and Results

Application to Re-establish (Renew) BIA

On November 15, 2022, Council considered an application by the Dunbar Village Business Association (DVBA) to commence a Council Initiative to re-establish (renew) the Dunbar Village BIA (map, Appendix E. Council referred the application to Court of Revision and directed staff to notify affected owners and businesses prior to considering the Initiative.

Notification Data

Property owners and business tenants affected by the Dunbar Village BIA renewal application have been notified as follows:

Property Owners Postmarked on or before	# Owners	# Assessed Properties	Business Tenants Delivery on or before	# Businesses
December 10, 2022	85	110	December 17, 2022	132

The proposed BIA charge, per property, ranges from \$163.06 to \$25,615.07 annually, depending upon the assessed value of the property. Seventy-one properties will have a levy under \$1,000, 31 properties will have a levy between \$1,000 and \$5,000, and 8 properties will be charged over \$5,000 annually.¹

Letters of Objection

The table below shows the letters of objection, by number and assessed value, received as of 5:00 pm, January 27, 2023. For information, based on the *Vancouver Charter* threshold of 50%

¹ As the BIA levies will be based on the 2023 BC Assessment Authority (BCA) property assessment, the actual BIA levies may differ slightly from the estimates provided in the City's property-owner notifications, which was based on the 2022 BCA assessment.

+1 and Council policy, the centre column shows the numbers and assessed value of objections (subject to adjustments) needed to defeat the proposed Dunbar Village BIA renewal based on the notification data provided in this Report.

Dunbar Village BIA Objections

Objection Categories	Needed to defeat BIA renewal (50%+1 opposed)	Letters of objection as of January 27, 2023

Total assessed value	\$233,329,255.00	\$83,037,200.00	18%
OR # of business tenants	66	4	3%

Results

As of January 27, 2023, neither the number of business tenants, nor the number and assessed value of properties /property owners is sufficient to defeat the proposed Dunbar Village BIA renewal.

ROBSON STREET BIA RENEWAL APPLICATION: Analysis and Results

Application to Re-establish (Renew) BIA

On November 15, 2022, Council considered an application by the Robson Street Business Association (RSBA) to commence a Council Initiative to re-establish (renew) the Robson Street BIA (map, Appendix F). Council referred the application to Court of Revision and directed staff to notify affected owners and businesses prior to considering the Initiative.

Notification Data

Property owners and business tenants affected by the Robson Street BIA renewal application have been notified as follows:

Property Owners Postmarked on or before	# Owners	# Assessed Properties	Business Tenants Delivery on or before	# Businesses
December 10, 2022	43	55	December 17, 2022	124

The proposed BIA charge, per property, ranges from \$935.15 to \$ 78,954.11 annually, depending upon the assessed value of the property. Fifteen properties will have a levy under \$2,500, 29 properties will have a levy between \$2,500 and \$25,000, and 11 properties will be charged over \$25,000 annually.³

² As there are owners with multiple properties, the number of assessed properties in each BIA is always greater than the number of actual owners.

³ As the BIA levies will be based on the 2023 BC Assessment Authority (BCA) property assessment, the actual BIA levies may differ slightly from the estimates provided in the City's property-owner notifications, which was based on the 2022 BCA assessment.

Letters of Objection

The table below shows the letters of objection, by number and assessed value, received as of 5:00 pm, January 27, 2023. For information, based on the *Vancouver Charter* threshold of 50% +1 and Council policy, the centre column shows the numbers and assessed value of objections (subject to adjustments) needed to defeat the proposed Robson Street BIA renewal based on the notification data provided in this Report.

OR # of business tenants	62	0	0%

Results

As of January 27, 2023, neither the number of business tenants, nor the number and assessed value of properties/ property owners is sufficient to defeat the proposed Robson Street BIA renewal (no objections have been received).

Implications/Related Issues/Risk

Financial

There are no financial implications.

CONCLUSION

The Dunbar Village Business Association and the Robson Street Business Association have applied to renew their respective BIAs.

In November 2022, Council approved commencement of Council Initiatives and instructed staff to notify affected commercial property owners and business tenants.

As of January 27, 2023 no objections had been received in response to the Robson Street BIA notification, and neither the number of business tenants, nor the number and assessed value of properties /property owners was sufficient to defeat the proposed Dunbar Village BIA renewal; therefore, this report recommends approval of each of the BIA renewals.

* * * * *

⁴ As there are owners with multiple properties, the number of assessed properties in each BIA is always greater than the number of actual owners.

Further Information - Approval of Council Initiatives

Vancouver Charter

BIAs are a form of Local Improvement. Taxation of properties in an area pays for a variety of programs to promote and enhance the area as part of a business improvement scheme. Under *Vancouver Charter* Section 506(2)(a), approval of a Local Improvement Council Initiative requires a resolution passed by at least two-thirds of all the Council members present. Section 506(2)(b) provides that a “sufficient number” of notices of objection to defeat a Council Initiative is deemed to be more than *one-half* of the assessed property owners, representing more than *one-half* of the value according to the last revised real-property assessment roll, of the parcels liable to be assessed.

Under most commercial lease agreements, property owners pass the cost of a BIA levy to their business tenants. As the Charter makes no provision for the notification of business tenants, Council has adopted policy to determine the wishes of affected businesses.

Council Policy

Council has adopted policy for approval of BIA Council Initiatives at various times as follows:

- For BIA renewal, approved July 30, 1992;
- For BIA establishment and expansion, approved October 14, 1997; and
- Policy amendments for BIA renewal, establishment and expansion, approved November 28, 2017.

Council policy for approval of BIA Council Initiatives may be summarized as follows:

A BIA is established, renewed, and/or expanded by Council Initiative process; under a Council Initiative, affected property owners receive a notification that sets out a description of the Initiative, the designated area, and the estimated annual charge and rate. The notification includes instructions for filing objections to the Initiative, which are reported to Council after they are received and tabulated. Council also hears delegations as to whether or not the Initiative should proceed. Commercial tenants also receive a notification, and the Initiative generally will not be approved if one half of the commercial tenants, counted separately from owners, submit objections.

Tabulation of Objections - Issues and Considerations

Distinguishing Property-Owner and Business-Tenant Objections

The *Vancouver Charter* requires the City to tabulate all property-owner objections to determine whether or not a BIA application is defeated. However, it is Council policy to also receive and tabulate objections from business tenants. The two tabulations would produce duplication where letters are received from businesses who also *own* the property or commercial strata unit they occupy (i.e. are not tenants). Therefore, past practice has been to count all objection letters from property-owner businesses as 'property owner' objections rather than as 'business tenant' objections.

Petitions and Form-letters

The City's notification instructs recipients to register objections in the form of an original letter because the identity and authority of the writer is more readily discernible than a signature on a mass petition. Also, with a mass petition, there is uncertainty around the degree to which petitioners are influenced by information from petition organizers. Similar considerations apply to mass-reproduced 'form-letters' that have been collected by opposition organizers in the same way as petitions.

Privacy Issues

To protect the confidentiality of respondents, under the provisions of the *Freedom of Information and Protection of Privacy Act*, the identity of persons submitting objections is not made available to BIA applicants, supporters, opponents, or the public. However, the City Clerk will have available for Council copies of all objections received prior to the meeting date.

Notice of Proposed Dunbar Village Business Improvement Area (BIA) Renewal

Dear Business Owner/Manager:

Why are you receiving this notification?

The Dunbar Village Business Association (DVBA) is proposing to renew its BIA mandate as required at the end of its current term. Since most lease agreements allow property owners to pass the cost of a BIA levy to their business tenants, this letter provides information about the renewal proposal, possible costs, and the procedure for telling the City whether or not you support the proposed renewal. As the letters are being hand delivered, please check the enclosed map to confirm that your business is within the BIA area.

The City encourages BIAs as a way for commercial property owners and business tenants to effectively promote business, enhance services, and make their area more attractive for customers. The BIAs allocate funds for the purpose of improving commercial area profile, through various marketing, beautification, revitalization, safety and advocacy initiatives on behalf of their members.

The BIA movement in the City of Vancouver has a very long history starting with the first associations being formed in Gastown and Mt. Pleasant in 1989. I would like to take this opportunity to acknowledge the contribution that your BIA and the many other BIAs located across Vancouver have made to the continued success and sustainability of our City and its business districts.

Provincial legislation requires that BIAs be established with expiry dates. Dunbar Village BIA's current term will expire early in 2023. Therefore, in order to continue to provide programs and services to its membership, the BIA will need to be 'renewed' for a further term. This letter explains your role in the renewal approval process.

How do BIAs work?

The BIAs are associations managed by a Board of local owners and business tenants elected by their fellow owners and tenants. Funding for BIA programs and activities comes from a special BIA levy paid by all commercial property owners in the BIA, based on each owner's share of the total BIA commercial assessed property value. As part of an existing BIA, your landlord has been paying a BIA levy annually along with the property taxes. That levy is based on a budget approved every year by BIA members at their association's annual general meeting (AGM).

After the City receives the BIA levy from the property owners, it turns all of the money over to each BIA association to fund activities on behalf of both the owners and their business tenants. As most of the property owners pass the cost of the levy to their business tenants, most of the businesses indirectly contribute their share of the cost to promote and improve the business

district. As BIA expenses are spread out among all the businesses, the cost per business is small, but the total funding is large enough to impact potential customer traffic and area appeal.

What's been happening?

Earlier this year, DVBA reached out to businesses and commercial property owners to receive input on member needs and priorities, to solicit comments on the BIA renewal proposal and budget, and to assess support for the proposal. As part of its Annual General Meeting (AGM), DVBA notified all property owners and business tenants of a proposed resolution to renew the BIA. The proposed resolution was approved by the association's membership.

Please read the enclosed information from DVBA which outlines all their programs and activities, the benefits provided, and their proposed renewal plan and budget. The enclosed materials also include contact information in case you have questions about BIA activities or the renewal proposal.

What happens next?

DVBA has submitted a BIA renewal application to the City. Before the BIA renewal can be approved, the proposal must be considered by City Council. If approved by Council, the BIA will continue to provide area-wide benefits through an annual property levy.

The City has mailed a letter to each property owner estimating their share of the proposed 2023 BIA levy. The amount of each property owner's BIA levy will be different because the levies are based on the commercial property assessment value. Over the BIA's lifespan, it is possible that your share of the BIA budget may change because each property owner's share will be reapportioned annually according to the assessed values determined by the BC Assessment Authority. To estimate your 2023 BIA contribution, consider contacting your landlord or property manager, or contact DVBA.

A BIA renewal Initiative will not proceed if, within one month of mailing the notification, more than one-half of the assessed owners, representing more than one-half of the value according to the last real-property assessment roll, of the parcels liable to be specially assessed have, in writing, given notice to the City Clerk that they object to the BIA Renewal Initiative. Further, Council's policy is to also notify business tenants, and to consider rejection of a BIA Renewal initiative if one-half or more of businesses (counted separately) object in writing.

If you support the proposed BIA renewal, you need not respond to this letter. **If you wish to object, please submit your objection in writing to the City Clerk, Vancouver City Hall, 453 West 12th Avenue, Vancouver, BC, V5Y 1V4, or by e-mail to ccclerk@vancouver.ca. The letter or e-mail should include the writer's name and position, (e.g. business owner or manager), and the business name and street address. Written objections should be filed with the City Clerk *before 5pm on Friday January 27, 2023.***

If you wish further information about the City's role in the BIA renewal process, please call me at (604) 871-6304.
