CD-1 Rezoning: 103-111 North Templeton Drive and 2185 Oxford Street	Support	<p>I believe that this project will not only bring new life to the area, but it will also benefit the community in several ways. The project's location is ideal, and its proximity to nearby amenities will provide residents with easy access to shopping, dining, and transportation options. Additionally, the development's innovative design and modern features will make it a desirable place to live.</p> <p>As a neighbor, I also appreciate the efforts of the project's developers to ensure that the community is involved in the development process. Their willingness to listen to feedback and address any concerns is a testament to their commitment to creating a project that benefits everyone.</p> <p>In summary, I am excited about the proposed development project located at 103-111 North Templeton Drive and 2185 Oxford Street and believe that it will have a positive impact on our community. I fully support this project and look forward to its successful completion. I hope Mayor and Council will not miss another opportunity to add much needed density to our ailing city.</p>	Ben Fernandez		
2023-03-07	11:19	PH 2 - 3. CD-1 Rezoning: 103-111 North Templeton Drive and 2185 Oxford Street	Support	I strongly support this rezoning and development. Vancouver is in desperate need of rental units, which is obvious from the soaring rental prices and lack of availability. A big yes from me.	Ben Holden	Kitsilano

All the existing buildings and rental stock is very old and run down. Having an addition of new units in the neighbourhood is good. I support this project completely.	Alison Gillard
