2023-03-31	17:23	PH 2 - 2. Rezoning: 5995-6015 Dunbar Street	Oppose	A 5-storey building will 1. overlook my unit, cause privacy offence 2. block my unit's sunshine rate, based on my calculation, at least 4-5 hours per day since the building is at the west side of my property. 3. bring too much traffic but Dunbar can't afford. with above offence caused by the planned building, it is not a single case but affect the whole block's neighbour. I will seek for legal advice in case of the plan passes and look for at least compensations.	Jennifer Chen	Dunbar-Southlands
