Rezoning: 5995-6015 Dunbar Street	Support	<p>Hello,</p> <p>We are reaching out to request your feedback on Strands proposed rental project located at 5995 – 6015 Dunbar Street, which will be going to Public Hearing on April 25, 2023.</p> <p>Comments can be made online at the following link: https://vancouver.ca/your-government/contact-council-public-hearing.aspx?_ga=2.21894067.945337887.1680721404-770288258.1650577923</p> <p>All you have to do is enter the project address, select your position, and leave a few sentences on how you feel about the project.</p> <p>Here are some ideas on talking points:</p> <ul style="list-style-type: none"> - Lack of rental supply in the Dunbar neighbourhood o Vancouver is in dire need of rental housing. Any rental is good rental for the City of Vancouver. o Secured Market Rental solidifies that this housing type will not become market condo - Proximity to UBC and rapid transit lines - Serving a wide variety of potential tenants including students, young families, working professionals, and downsizers from the neighbourhood <p>*Please note that no drawings were submitted with the rezoning application, so no comments should be made specifically on the form and character of the development.</p> <p>We would greatly appreciate any feedback you could leave in support of our project.</p> <p>If you have any questions or issues with accessing the online portal, please call or email s.22(1) Personal and Confidential</p> <p>Regards, Jenna Macdonald</p>	Jenna Macdonald	Dunbar-Southlands
