CD-1 Rezoning: 3205 Arbutus Street	Support	<p>I am strongly in favour of the proposed rental project at 3025 Arbutus.</p> <p>The area has been starved for new supply, with community members needing high quality rental units, rather than the rundown older stock. The developer has done a great job with their architects to design a building that fits and form and character of our neighbourhood and the additional residents will be key drivers for supporting local small business owners in the surrounding area.</p>	Karia Rosenberg	Kitsilano
