City-Initiated Zoning Changes for Townhouses and Rowhouses in the Cambie Corridor	Support	Its important for rezoning to happen which can allow for more middle housing such as townhouses, duplexes, and other such housing styles. Detached single family houses, and high-rise condos are not sustainable housing for most people in Vancouver. We desperately need to be able to make housing that is in between these two extremes. This goes for all neighbourhoods.	Jen Adams	Kensington-Cedar Cottage
