I highly disapprove of this development which drastically changes the character of the neighbourhood. This would also dramatically reduce the property values of adjacent block of residential single family homes, create traffic and safety problems at an already dangerous intersection (Main / 54th), which is currently uncontrolled, with no crosswalk and two opposing bus stops on either side of Main. (Where is the crosswalk promised from 10+ years ago?). There is already lack of parking spaces along Main because of the bus stops and this will only contribute greater parking issues.	Sam Voo	Sunset
