2023-04-26	10:13	PH 1 - 5. CD-1 Rezoning: 1040-1080 Barclay Street	Support	I vehemently SUPPORT this project. I have been living across from this site for 6 years and have been waiting ever since then to have the opportunity to support this project in the public hearing process. The redesign from the original proposal is great and I look forward to having many new neighbours be part of this wonderful West End community.	Saamantha Garrett	West End
