

COUNCIL REPORT

Report Date: April 22, 2023
Contact: Chris Robertson
Contact No.: 604.873.7684
RTS No.: 15626
VanRIMS No.: 08-2000-20
Meeting Date: May 9, 2023
[Submit comments to Council](#)

TO: Vancouver City Council
FROM: General Manager of Planning, Urban Design and Sustainability
SUBJECT: 2023 Graffiti Abatement Grants to Business Improvement Associations (BIAs)

Recommendations

- A. THAT, pursuant to section 206(1)(j) of the *Vancouver Charter*, Council approve up to \$500,000 for the 2023 BIA Graffiti Abatement Grants described in this report, to be disbursed to the 22 Business Improvement Associations (BIAs) as set out in Appendix A.
- B. THAT Council deem the 22 BIAs to be contributing to the beautification of the City.
- C. THAT the grants be subject to the BIAs executing and delivering a grant letter agreement received from the City of Vancouver and satisfactory to the Director of Legal Services.
- D. THAT the Director of Legal Services be authorized to execute the appropriate grant agreements with each of the respective BIA associations.

Approval of Recommendations A and B requires an affirmative vote of 2/3 of all Council members in accordance with section 206(1)(j) of the *Vancouver Charter*.

Purpose and Executive Summary

The purpose of this report is to:

- a) seek Council's approval of graffiti abatement grants to Vancouver's BIAs for 2023, as set out in Appendix A; and
- b) instruct staff to execute the appropriate grant agreements to ensure the BIAs receive timely funding.

In both 2021 and 2022, Council approved \$500,000 of graffiti abatement grants to the City's 22 BIAs. On January 26, 2023, Council approved the Uplifting Chinatown Action Plan, which included an action to report back on providing the same grants again to the BIAs in 2023. The source of funds for the 2023 grants is the 2023 Operating Budget. Implementation of the other Uplifting Chinatown Action Plan recommendations are part of a separate report.

Council Authority/Previous Decisions

- In April 2021, [Council approved a Motion](#) that directed staff to identify a funding source for an additional \$200,000 to the Business Improvement Association Graffiti Removal Program.
- In May 2021, Council also approved the [Mitigating and Managing Nuisance Graffiti in Vancouver](#) Motion which directed staff to allocate an additional \$300,000 toward the 2021 BIA Graffiti Management program.
- In April 2022, [Council approved a Motion](#) for \$500,000 for graffiti abatement and beautification grants to be funded from reserves to improve conditions in Gastown, Chinatown, Strathcona, Downtown, and other affected neighbourhoods.
- In January 2023, Council approved the Uplifting Chinatown Action Plan and directed staff to include the Plan's initiatives in the draft 2023 operating budget for Council's consideration. The initiatives were subsequently approved as part of the 2023 operating budget. The Action Plan specifies that \$500,000 be budgeted for the continuation of BIA graffiti prevention and abatement grants in 2023.

City Manager's Comments

The City Manager concurs with the foregoing recommendations.

Context and Background

Many of the City's BIAs have well-established graffiti prevention and abatement programs. The BIA programs supplement the City's programs by addressing nuisance graffiti on non-City owned public property, and on commercial private property within their boundaries. In 2020, 2021, 2022 and 2023, BIA budgets for graffiti-related expenditures totalled roughly \$800,000, \$880,000, \$930,000 and \$956,000 respectively (excluding the \$500,000 annual Graffiti Abatement Grants funded by the City, which began in 2021).

During the pandemic, there was an increase in graffiti across the City, including damage to murals. In response to this increasing need, the City provided additional Graffiti Abatement Grants to the BIAs in 2021 and 2022. Statistics from City-managed graffiti programs indicate sustained high-levels of graffiti and a continued need for additional financial assistance in 2023.

Discussion

Allocation of Grants

If approved by Council, Graffiti prevention and abatement grants totalling \$500,000 will be distributed to all 22 BIAs according to the same allocation formula developed by the Vancouver

BIA Partnership in 2021, as set out in Appendix A. As a condition of the grants, the funds can be used only for graffiti removal or related beautification /graffiti abatement measures such as the creation, maintenance and repair of murals and mural coatings. The funds will be granted on the condition that they are not used to fund activities already paid for under existing graffiti abatement contracts.

Financial Implications

Council approved \$500,000 for graffiti abatement grants to Vancouver’s BIAs as part of the 2023 Operating Budget.

Legal Implications

The recommended grants are authorized by section 206(1) (j) of the Vancouver Charter.

Conclusion

The City’s BIAs have expressed the need and urgency to address nuisance graffiti in time for the 2023 summer season. This report recommends Council approval of Graffiti Abatement Grants to all 22 BIAs in the amounts specified in Appendix A, totalling \$500,000.
