2023-06-28	11:44	PH 1 - 2. CD-1 Rezoning: 4261 Cambie Street and 503 West 27th Avenue	Support	We are in very short supply of housing, and struggling to keep up with demand - we need further density over single family homes, as there are so many people that need a place to live. Immigration is also at an all time high. This project makes sense within the Cambie Corridor plan.	Melissa Y	Mount Pleasant
