CD-1 Rezoning: 5079-5161 Ash Street	Support	I think this development fits well with the plan for the cambie corridor and fits in with all the other plans for buildings currently under construction in the area. This will provide well needed housing in close proximity to skytrain. I fully support this plan. From the development boards presented, it is also a well thought out plan allowing the future expansion of the road network that the city has designated/required and does not leave any orphan houses (because it is used for road). I fully support this plan.	Jenel Payne	§ 22(1) Personal and Confidential	Oakridge
