2023-07-13	13:27	PH 2 - 2. CD-1 Rezoning: 2001-2025 West 41st Avenue and 5683-5687 Maple Street	Support	I am supportive of this rezoning proposal and this project. The concept and the design really bring good features and make Kerrisdale more vivid. I have a kid and I understand how important of a good day care facility to a growing community. The rental component brings more inventory to the community.	Carin Sun	Kerrisdale
