CD-1 Rezoning: 618 West 32nd Avenue	Other	<p>The following comments relate to the Public Hearing on July 13th - Amendment to the Zoning and Development By-Law regarding the proposed 618 West 32nd Avenue development.</p> <ol style="list-style-type: none"> 1. Setbacks inconsistent with Cambie Corridor Plan. The fact our existing condo building has more setbacks should not be a reason for the proposed building to deviate from the Cambie Corridor Plan. 2. Living rooms on proposed building will face directly on north side units windows of condo building on 4867 Cambie Street. 3. To prevent potential accidents, the proposed driveway is located too close to existing driveway of condo building on 4867 Cambie Street. 	Larry Tong	Oakridge
