2023-09-13	10:13	PH 1 - 1. Rezoning: 2560-2580 Trafalgar Street	Oppose	I absolutely oppose the 4 storey apartment building proposed at 2560-2580 Trafalgar Street. This area is a single family homes , triplexes, duplexes. There is nothing above two stories in this area on 10th. This would destroy the nature and character of this area. I am not opposed to increasing density thru laneways or triplexes, but I am opposed to the four storeys, which would tower over any other structure in the area.	Perry Mcdougall	Kitsilano
