Rezoning: 2753-2769 East 49th Avenue	Support	<p>Dear Mayor Sim and Council,</p> <p>The City is in desperate need of housing, and developments that comply with the cities policies should be permitted as quickly as possible. In the case of this development, a 100% secured rental project in a central location on a main bus route serves the needs of the community by providing more rental options to a population that is struggling to find suitable safe and secure housing in the city.</p> <p>I support this development and encourage you to continue finding ways to expedite the approvals to see these type of projects built as quickly as possible.</p>	Lucas Van Den Berg
