2023-11-11	12:48	2. Rezoning: 6065-6075 Collingwood Place	Support	I support this rezoning and the future transformation of two residences into 34 rental residences. I commend council's previous approval of the 6081-6083 Collingwood Place rezoning and believe the neighbourhood will greatly benefit from these additional neighbours as well. The proposed density and height are appropriate for this site, a site close to multiple transit routes, schools, and other amenities.	Tessa Rowland	Fairview

2023-11-14	09:58	2. Rezoning: 6065-6075 Collingwood Place	Support	<p>I am writing in support for this rental housing development, as a renter and citizen of Vancouver living through a housing crisis that never ends. I also agree with many of the letters in opposition, from not only this rezoning, but the one adjacent that was recently passed.</p> <p>I agree parking and safety concerns are potential issues on Collingwood Place road. Eliminating street parking and constructing a sidewalk along the entirety of Collingwood Place and Collingwood Street would be a great public benefit for the local residents.</p> <p>As one individual in opposition wrote, "our city should be a livable city for all citizens".</p>	Methodius Hawryluk	West End	
2023-11-14	12:42	2. Rezoning: 6065-6075 Collingwood Place	Support	I have experienced how hard it can be to find a place to live in. The rental market is very competitive in Vancouver and we need as many options as possible.	Susan Reyes	Renfrew-Collingwood
