2023-12-02	19:57	4. CD-1 Rezoning: 848 Seymour Street	Support	<p>Hello Mayor and Council,</p> <p>I am writing to express my strong support for this rezoning. As you know, we have a critical shortage of hotel space in this city (what don't we have a critical shortage of at this point, I wonder?). Recent provincial and municipal efforts to restrict short term rentals demonstrates this. The shortage of hotel space causes hotel and residential space to compete with each other, which further exacerbates our residential space shortage. I urge you to support this rezoning.</p>	Peter Dowdy	Renfrew-Collingwood
