The social housing is of course desperately needed, and this project goes beyond that by offering several thoughtful amenities and a mix of home sizes and types. I am glad to see limited car parking in this bike-friendly and transit-rich, central location. It is on an arterial street but at least it is not directly on Hastings. We need more project like this.</p> <p>Sincerely,</p> <p>Owen Brady Abundant Housing Vancouver</p>	Owen Brady	Grandview-Woodland
