CD-1 Rezoning: 1055 Harwood Street	Support	<p>My husband and I live nearby and want to share our support for 1055 Harwood St. We are actively looking for a new rental in the West End as our building is set to be redeveloped and this would really meet our needs. I appreciate the resident amenities that are included here and the different unit sizes as we are looking to grow our family. I think that this building would bring a lot of new life and vibrancy to the west end which is good for us, as we appreciate an active community. The West end is a desirable neighbourhood and we would love the ability to stay in the community we've called home for over 5 years.</p>	Amy Silverthorne	West End	
2024-01-21	14:16	PH 1 - 2. CD-1 Rezoning: 1055 Harwood Street	Support	<p>Dear Mayor and Council,</p> <p>My name is Braydon Kennedy, I'm a s.22(1) Personal and Confidential and I'm writing in support of the proposal by GWLRA to redevelop the property at 1055 Harwood Street, Vancouver.</p> <p>I am in full support of this application being approved because I believe this is the exact sort of housing we need more of. I work as an architect in Kitsilano and Compete in Olympic Weightlifting in Yaletown. I have been here for the last 4 years. This location is perfect for my daily activities including work, leisure, healthcare, etc. Allowing more opportunity for housing in this neighbourhood will allow others to have a similar healthy quality of life.</p> <p>This application will renew the existing homes on site and secure more rental housing for the West End for the long term – this is a step in the right direction!</p> <p>GWLRA have been courteous to deal with through this process and have kept tenants (like me) informed since the pre application stage. The tenant relocation support team have been responsive and are available to assist and provide support when I am ready to relocate. I sincerely appreciate the time and care they have taken to ensure my needs, as a tenant, have been considered.</p> <p>Please vote to approve this application at the Public Hearing.</p>	Braydon Kennedy	West End
