CD-1 Rezoning: (i) 5392-5472 Manson Street and (ii) 5250-5270 Ash Street and 595 West 37th Avenue	Other	While I understand the need for higher density zoning and buildings to support the goal of creating more housing supply - it must not come at the expense of those already living on the grounds. The demo-victions that will come from the result of this project are a huge hardship on those who call these buildings home, and I would like to see more being done to help secure housing for the individuals impacted.
