Rezoning: 2726-2734 West 16th Avenue	Other	I implore the architect and City of Vancouver to take into consideration that the back of the proposed building faces the front of the homes on West 17th Avenue. Therefore, the entrance to parking should be off 16th Avenue and not 17th Avenue (similar to the Medical Building - 2786 West 16th Ave, which is four lots west of this development.)
