Help them stay in their neighborhoods, where they can continue to maintain their social connections. I support this seniors development in Dunbar.	Jessica McLennan	Mount Pleasant

Waitlists for seniors care are too long and need to be addressed by building more options. I also want to mention that I live next to a seniors care home and they are the best most quiet neighbours possible. This proposal is a really important contribution.	Helene Rois	West End

We desperately need more housing of all kinds, including housing for seniors. There's seniors who want to live here, e.g. instead of having to look after a large house. Amica (which is owned by the Ontario Teachers' Pension Plan) wants to build housing for them. Why is it so difficult to get approval to build anything?	Russil Wvong	Riley Park

CD-1 Rezoning: 3329-3429 West 41st Avenue and 5649-5683 Blenheim Street	Support	Please allow more housing in this area - Especially great for seniors given the demographics of the area. Its weird to see some group put out an anti-seniors housing ad but here we are.	Mike Rhone	Strathcona
