2024-05-28	21:43	4. Rezoning: 4635-4675 Arbutus Street	Oppose	I oppose the the building of this high rise building. We have had about 4 years of workers from the Safeway Project parking on our street. This project will add to the parking problem. I have had a garden for 24 years on my back patio and the height of this proposed building will block out the sun to my beautiful garden and will hinder or kill my plants. We also enjoy meals on the patio in the sun. Please do not let this building be approved. Thank you for letting me express my concern. I would go to the hearing on May 30th but I'll be in Toronto. Thank you Jim	Jim Kattlus	Arbutus Ridge
