Amendments to Restricted Zones (RT-7, RT-9, CD-1 371 and CD-1 463) to Comply with Bill 44 - Provincial Small-Scale Multi-Unit Housing (SSMUH) Legislation	Support	We are in desperate need of purpose built rental units. Increasing the fsr is a logical step and should be city wide. Richer areas should not get a pass in a housing crisis. I live in kits, I have rented and now live in a co-op, so many of our friends and families at our school have to leave the area just because they could not find a suitable rental. I know families who are in condos that are too small for their family size but with no real alternatives if they want to stay in kits.	Lindsey Murphy	Kitsilano
