Oakridge Community Centre

Helping  
seniors stay  
**active,  
engaged &  
connected**

Sunset Seniors Centre

Making  
**community**  
spaces  
**accessible**  
to all

Marpole Community Centre

Providing  
community  
amenities  
**designed  
for families**

Coal Harbour Phase 2

Providing  
more  
access to  
**music,  
culture &  
events**

PNE Amphitheatre

# Stay updated

Project information available online at [vancouver.ca/capitalprojects](https://vancouver.ca/capitalprojects)

## Coal Harbour phase 2

A new building at 488 Broughton will provide community amenities, including an elementary school, childcare centre, and affordable housing.

## PNE ampitheatre renewal

A renewed PNE amphitheatre will provide more access to music, culture, and multi-functional outdoor space.

## Oakridge redevelopment

Oakridge Centre is being redeveloped to include a new community centre, library, performance area, and childcare facility.

## Water Street pedestrian zone pilot

This summer, sections of Water Street and Maple Tree Square will be transformed into vibrant pedestrian zone.

## Gastown

We're investing in Gastown to make sure that it continues to be a vibrant place for you to live, work, and play here, now, and into the future.

## Granville Connector

A \$50 million investment that will transform the way we use the Granville Bridge by converting 2 travel lanes to walking, rolling, and cycling.

## Water main upgrades on West Pender Street start May 6

Drivers advised to plan ahead for upcoming downtown traffic impacts

May 3 2024 – Starting May 6, the City will begin phase one of its work to replace aging water mains on West Pender Street. City crews will be installing new drinking water pipe infrastructure between Burrard Street and Bute Street. This phase is anticipated to be completed by November 2024.
