2024-07-09	14:06	CD-1 Rezoning: 4906-4958 Main Street	Oppose	<p>I oppose this development. The attached PDF file forms the bulk of my comment, but, in summary:</p> <p>(1) More people = longer MRI, ambulance, etc. wait times                      (2) Less ground-level green space = bad                      (3) More people = strain on already over-crowded recreational opportunities                      (4) Do developers really need more money?</p> <p>Please post this and the PDF in the comments received section.</p> <p>Thanks.</p>	Robin Tavender	I do not live in Vancouver	<a href="#">Attachment 1</a>
2024-07-09	08:56	CD-1 Rezoning: 4906-4958 Main Street	Oppose	<p>I would like to oppose the removal of view cones for the Chinatown and DTES area. Please do not allow more gentrification and upscale development to ruin the people who live in the area and have community in that area by increasing high rises that will block the mountain views from this area and cause more displacement for low-income residents who have nowhere else affordable to go. How we treat the poor is a reflection to the whole world what kind of "world class" city we truly are.</p>	Christina Chiu	Renfrew-Collingwood	
2024-07-09	07:35	CD-1 Rezoning: 4906-4958 Main Street	Oppose	<p>Vancouver is our home and we must treasure the unique quality of our city's mountain to sea skyline. I have travelled and lived around the world and there is no better place on earth than Vancouver. We must preserve the iconic view cones of the city.</p> <p>Do not "sell them off" to developers.</p> <p>Keep our city green to preserve our quality of life for future generations.</p> <p>This is why we all love this city and it is everyone's responsibility to do their part to maintain it.</p> <p>You as our mayor and council were elected by the voters to act on our behalf.</p>	yolanda lillquist	Mount Pleasant	
2024-07-08	20:45	CD-1 Rezoning: 4906-4958 Main Street	Oppose	<p>Hello,</p> <p>How do you dare do what you are proposing without a referendum? Turn the city into a chunk of concrete which is under the auspices of homes. There is no discussion of amenities or hospitals, school and transportation.</p> <p>How dare you proceed without a proper plan. Olympic Village still doesn't even have a school yet!</p> <p>Build these first then the homes. Eby has this all backwards. Don't listen to him and his team, I want to see amenities for every site before proceeding on this insane development plan.</p> <p>Bernice Burnett</p>	Bernice Burnett	West Point Grey
